MEMO # 21-02

DATE: July 12, 2021

TO: County Departments of Human/Social Services Directors

FROM: Ron Hermes, Administrator 
Lance Horozewski, Assistant Administrator 

SUBJECT: Juvenile Correctional Facility Rates

This memo is to inform you of the approved daily rates for juvenile correctional facility (JCF)¹ services provided by the state during state fiscal year (SFY) 2022 and SFY 2023.

Juvenile correctional facility rates are established as part of the biennial budget. The 2021-23 biennial budget was enacted July 8th, 2021 and included rate increases that are a direct result of significantly declining populations that have occurred at Lincoln Hills and Copper Lake Schools since SFY 2019.

The previous memo, #21-01, details the related billing policies and community supervision rates.
